Basic steps to form the passive voice:

- 1 The object of the active becomes the subject of the passive.
- 2 We add the auxiliary "to be" – "is/are" when the main verb of the active is present, and "was/were" when it is past.
- 3 In negative or interrogative sentences the auxiliary "to do" is replaced by "to be":  
- **do(n't) / does(n't)** become **is(n't) / are(n't)**;  
- **did(n't)** becomes **was(n't) or were(n't)**.
- 4 We turn the main verb of the active into the past participle.
- 5 If we need or want to add the agent of the passive, we must use "by".

# PASSIVE VOICE

with the PRESENT and PAST SIMPLE

## Use:

We use the passive voice when we are more interested in the action itself rather than in "who" or "what" did the action.

The agent can be:

- \* **unimportant** – "These shoes are made in Indonesia." (the action is more important than who made the shoes)
- \* **unknown** – "The windows were broken yesterday." (somebody broke the windows and we don't know who did it)
- \* **implicit** – "He was arrested." (most certainly by the police)

## examples:

Magazines **use** **pop singers** as models.

**Pop singers** **are used** as models **by** magazines.
